#### My comments

Ever since I came to Hong Kong for the first time in 1996, I have been fascinated by this great city. Having been there multiple times, both on business and on holidays, I realised that Hong Kong itself is constantly changing and has many different faces. This is what makes this city so attractive and appealing to me. Despite the amazing quality of the pictures taken by my friend Mr Endo during his temporary assignment to Hong Kong, these pictures can only capture a static nano second fraction of this exciting place. My favourite places are the business district of Wanchai, Tsim Sha Tsui East Promenade from where one can enjoy the breathtaking skyline of Hong Kong Island as well as crossing the harbour with the legendary Star Ferry. I have enjoyed looking at Mr Endo's great pictures and I am already looking forward to my next trip to Hong Kong to see all the WONDERS OF HONG KONG. I am sure Mr Endo is also going to return to Hong Kong at some point in the future to take more pictures with his fine collection of various Olympus cameras. I hope I can meet him in Hong Kong during his next trip.

#### あとがき

香港の中国返還1ヶ月前から1年間の滞在中に約3000枚撮りました。その中から気にいった約40枚を選びささやかな写真集を作ることにしました。前半は観光で良く見る風景ですが、後になるほど生活感のある写真になっています。

初めての海外生活で戸惑う事も多く、失敗の連続でした。しかしながら、心配していた食事もなんとか作れるようになりましたし、英会話の上達はしませんでしたが、トラブル発生時にはBroken Englishであきらめず交渉できる様になったのも大きな収穫です。日本に居るときよりも家族、友人達とパソコンを通じ対話、交流が多くなされ、また私のホームページを見た友人のお嬢さん、息子さん達からの電子メール等で1年間、暇を持て余す事もなく送ることができました。

香港での生活は刺激的で活気に満ち溢れ、ハイセンスな高価なものから驚くような安価なものまでエキサイティングなものでした。中国に返還され変化があったかとよく質問されますが、街中に中国旗が多くなった以外さほどの変化は感じませんでした。数年後には再度訪問したいものです。

次回は香港にはない日本の四季の移り変わりの写真集をと 意気込んでおります。
